Please include photos, web address, or any form of visual depiction so your product can be viewed and put on file with this application.

My work/product can be seen at these shows: _____

The intent of the Marketplace is to showcase garden related merchandise of excellent quality and wide diversity.

We are interested in:

Horticultural material (plants, bulbs, herbs, dried flowers)

Garden and floral related products and/or accessories for the home and garden

Botanical art, garden art and original design the home and garden

Other shows in which you participate and how your product is presented

To be considered for our show, please complete and return the Vendor Interest Application for our records. We ask all potential vendors to submit photos, samples, websites and/or brochures of merchandise to be sold including photos of your space at other shows. Please include price range. It is a required part of the screening process to have the Interest Application on file before a determination to offer a contract is made. Applications for silk or plastic flowers are not accepted. (ALL food service is through the facility.)

We limit the number of vendors with similar products and categories. We ask that you return this completed vendor interest form along with visual depictions. Applications will be reviewed and if you are accepted, a contract packet will then be mailed to you.
